

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Steel structural components

For structural use
Steel \leq 850 MPa
Cutting, cold forming, machining, sandblasting and tumbling
Execution class EXC 4
Component specification method 3a.

placed on the market under the name or trademark of

Bergs Mekaniska Verkstad i Molkom AB

Södra Rådom 407
SE-655 98 Molkom, Sweden

and produced in the manufacturing plant
same as above

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in annex ZA of the standard

EN 1090-1:2009+A1:2011

under system 2+ are applied and that

the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 2019-03-05 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.

Issued by notified body 0402
The validity of this certificate can be verified on our website.
